

### Reclassification affecting revenues

Revenues for fiscal 2009 were subject to a reclassification to conform with the current period presentation. This reclassification did not have any impact on the operating income before amortization, impairment of assets, restructuring costs and impairment of goodwill and intangible assets, the operating income (loss) and the adjusted operating income (loss).

The following table presents revenues as reclassified.

| (in millions of dollars)                 | Q1       | Q2       | Q3       | Q4       | 2009       |
|--|----------|----------|----------|----------|------------|
| <b>Revenues</b>                          |          |          |          |          |            |
| Printing sector                          | \$ 467.6 | \$ 430.0 | \$ 385.0 | \$ 447.4 | \$ 1,730.0 |
| Marketing Communications sector          | 39.9     | 25.6     | 29.2     | 28.8     | 123.5      |
| Media sector                             | 139.9    | 151.2    | 151.9    | 164.0    | 607.0      |
| Other activities and unallocated amounts | 1.7      | 2.6      | 1.6      | 1.8      | 7.7        |
| Inter-segment sales                      | (23.7)   | (27.3)   | (20.7)   | (27.5)   | (99.2)     |
|  | \$ 625.4 | \$ 582.1 | \$ 547.0 | \$ 614.5 | \$ 2,369.0 |
