

## Fact Sheet FLEXIPAK INDUSTRIES INC.

November 1<sup>st</sup>, 2017

### ACQUISITION RATIONALE

The Flexipak Industries Inc. acquisition offers modern equipment for flexographic printing and a highly skilled workforce. It offers a wide range of flexible packaging products serving consumer goods companies, food processors and retailers across several markets including frozen fruits and vegetables, seafood, confectionery, grains, nuts and beverage. The addition of Flexipak to TC Transcontinental Packaging leverages our already well-established presence in these end markets and enhances our platform to serve customers across Canada.

### SERVICE OR PRODUCT OFFERING

- A variety of pouch styles and specialty bags (including stand-up pouches) with a variety of closure options.
- Wide range of flexible film structures engineered for various market needs.
- Printed and non-printed shrink film rollstocks.

### MANUFACTURING CAPABILITIES

- Printing up to 8 colors
- Laminations
- Multi slitting
- Bag and Pouch making
- Equipped for medium and short runs

### FORWARD-LOOKING STATEMENT

This report contains certain forward-looking statements concerning the future performance of the Corporation. Such statements, based on the current expectations of management, inherently involve numerous risks and uncertainties, both general and specific.

We caution that all forward-looking information is inherently uncertain and actual results may differ materially from the assumptions, estimates or expectations reflected or contained in the forward-looking information, and that actual future performance will be affected by a number of factors, many of which are beyond the Corporation's control. The risks, uncertainties and other factors that could influence actual results are described in the *Management's Discussion and Analysis (MD&A) for the fiscal year ended October 31<sup>st</sup>, 2016* and in the latest *Annual Information Form* and have been updated in the *MD&A for the third quarter ended July 30<sup>th</sup>, 2017*.
