Pollution Prevention

Does the facility have a documented pollution prevention plan?

Yes

a) Please check all that apply

Plan was prepared or implemented for another government jurisdiction (i.e. other Federal government department, province, municipality). Specify name in comments field below.

b) Did the facility update their plan in the current reporting year?

No

c) Does the plan address substances, energy conservation, or water conservation?

Substances

Please summarize your pollution prevention plan and/or your pollution prevention activities (this information will be publicly available)

Pollution Prevention Plan was produced in 2015 for Ontario TRA in order to lower the emissions of 2Butoxyethanol (111762). The plan was effective as the emissions of calendar years 2015 and 2016 are now under the 1000kg reporting threshold.

Did the facility complete any pollution prevention activities in the current NPRI reporting year

No
